## GOP'S GIPPER...

The ghost of Ronald Reagan's George Gipp may have encountered the ghost of Knute Rockne around South Bend sometime the past 10 days. For the Rockne cry of "Win, win, win" came out of the Hoosier Republican Primary Tuesday.

And Reagan, "the Gipper" to Pat O'Brien's "Rockne," won.

Not by much, perhaps 51 to 49 per cent, the tentative lead late night Tuesday, but a win which keeps the GOP primary run a race.

This following the Reagan landslide in Texas last Saturday, in which the President lost 96 delegates to the California actor turned governor.

Jimmy Carter carried Indiana by 68 per cent, boosted by Indiana Senator Birch Bayh's endorsement, the latter an early Democratic candidate among the dozen others who by now have dropped from the primary race. And Carter won home-state Georgia delegates by 86 per cent, was leading early Wednesday in Alabama and even in the District of Columbia. He won 90 delegates in Texas Saturday.

Reagan also won Georgia and was leading in Alabama in GOP primaries, these not so surprising as the win in Indiana and the landslide in Texas.

What appeared a pat primary run for President Ford is now more of a slugfest over foreign policy between the Californian and the former football All-American.

GOP Senator Barry Goldwater and Vice-President Rockefeller, looking in from two sides of the Republican center, challenge Reagan's attacks on Ford foreign policy. They charge Reagan with oversimplification and even "misstatement" of facts on Panama Canal negotiations and military preparedness.

But Republican voters and "cross-over" conservative Democrats in Texas liked what Reagan was saying. And the same factors--Reagan's appeal to independents and conservatives in both parties--may have pressed the Reagan appeal to win in Indiana, which indeed is above the Mason-Dixon line.

The real victim of Reagan's attack on "the issues" may be in Africa. That is the architect and engineer of detente, Secretary of State Henry Kissinger. President Ford has already junked "detente" as a policy label and has established his former first aide, Donald Rumsfeld, of Chicago, in the Defense Department. Schlesinger is gone, and so might Kissinger be by fall, unless the African tour proves fruitful after the Angolan takeover by Cuban troops.

Frustrated voters are relating Angola to Cuba and Cuba to Panama. And Reagan's charges are finding votes in the uncertainty of continuing negotiations in Panama, simplistic or not.

Carter is enjoying endorsement by abstention throughout the balance of the Democratic primary year. First Humphrey, then Jackson announced withdrawal from further primary contention.

Carter is inclined to simplify or skate over issues. He is finding the same response Reagan has lately discovered. And it says people are looking for solutions to problems which Washington says are "complex."

The Indiana win means momentum for Reagan, new access to campaign funds. For Carter, Indiana is only another primary in a campaign now endorsed by both Georgia Democratic senators and Dean Rusk, secretary of state under Kennedy and Johnson.

President Ford has perhaps a couple dozen fewer delegates now than Reagan, but considerable clout among the 300 uncommitted delegates. The President is said to lead in Reagan's home state, whose primaries allow no cross-over voting.

The celluloid "Gipper" is making an end run for Washington on an anti-Washington play. An incumbent All-American has to contain him.

Carter is in the stands until the New York Democratic Convention, watching, apparently a first-ballot candidate.

But the crowd, the cross-overs, the independents, the loyalists right and left say more in the opinion polls than they say week to week in these primaries.

The crowd tells Lou Harris pollsters only 22 per cent share confidence in the Supreme Court, 20 per cent in the Washington press, 11 per cent in the federal executive branch and 9 percent in Congress.

Goldwater and McGovern, both former presidential candidates and incumbent senators, will be commentators during network TV coverage of the national conventions.

Ron Nessen, Ford's press secretary, was a recent guest MC on a "Saturday Night" TV variety show. Pierre Sallinger, Kennedy's press secretary, helped narrate the Winter Olympics on another network.

Hubert Humphrey and Goldwater, again both former presidential candidates, were part of a Dean Martin celebrity roast.

Perhaps beyond leadership, national politicians are heavy in television show biz. They read the polls.

The images, like the issues, are not quite real anymore. Is it possible that a peanut farmer-engineer, a B-movie actor-union organizer or a non-elected incumbent will make sense of this by November?

Perhaps it is true the office makes the man. Harry Truman surprised everybody, especially historians. But he always seemed real.

Why not a ghost of the "Gipper"? What, indeed, would Pat O'Brien say?

## Council Turns Down Zoning Request Again

A West Cameron businessman got the second turnaround by the city council to rezone a lot at 907 N. Nolan for purpose of putting a tavern there.

Hubert Knight, who owns the Ebony Club on Emancipation, told council after the rejection of his plea that he will appeal "to a higher court."

The zoning commission rejected his request for the rezoning and council followed suit. The club property has been purchased by the Community Development Agency and must be vacated soon.

Council also voted to spend \$1000 of its Bicentennial funds for a giant fireworks display on July 4. It also granted approval for a street carnival to use the lot across from city

## Scouts Sponsor Bicycle Rodeo

Boy Scout Troop 791 will sponsor a bike rodeo for children from first through sixth grades at the Citizens National Bank drive-in parking lot Saturday starting at 10 a.m.

No fee is required and the contests are open to boys and girls.

Groups for the contests will include one for first, second and third grade; and another group for fourth, fifth, and sixth grade. Awards will be given to winners.

There will be classes for spyder bikes and for racing bikes. The contests will feature different tests of skill.

## Broiler Show, Banquet Set

Saturday, May 8, the Junior Broiler Show will be held in the pavilion at City Park on East 4 St. The awards banquet will be held at the Methodist Fellowship Hall that evening at 7 p.m.

Marshall Miller, marketing specialist for the Texas Agriculture Extension Service, will act as official judge for the show. He will also present a program at the banquet that evening.

The public is invited to come by the park and view the broilers that were raised by 4-H and FFA members from baby chicks donated earlier this year.

## BURGLARIES, SHOOTING KEEP POLICE BUSY

Cameron police were busy over the weekend and Monday as they investigated two burglaries, a robbery and a shooting.

Andrew Bailey of Cameron, 18, was charged with burglary Monday after he was found by police hiding behind some barrels in the Texaco warehouse. He was arrested by Officer Bob Bailey.

After checking with military authorities, Cameron police discovered that a warrant had been issued for Bailey's arrest after he was declared a deserter from Fort Leonard Wood in Missouri. Peace Justice Jess Brock set bond at \$2500.

On Friday night, Zane Bell of Temple reported to police that he was robbed of cash and his clothes by two men who hid in the back of his car at Cameron Bowling Lanes.

The men ordered Bell to drive towards Rosebud where he was ordered to undress. The two men, joined by a third in another car, took Bell's clothes and his wallet. Bell drove to his home in his underwear and reported the incident to police.

William T. Nelson of Cameron is in fair condition in the intensive care unit at a Temple hospital after being shot in the neck Sunday morning. Nelson, a truck driver, of West 10th St., told Cameron police he was shot by an unknown man just after 10 a.m. Sunday on 6th St.

Cameron police said a small caliber pistol was used in the shooting. No arrests have been made. Nelson is a former Cameron policeman.

Cameron police and the sheriff's department are investigating a break-in at Mack's Oil Co. sometime Friday night. Around \$180 was stolen by the burglars, who came in through a back door. The breakin was discovered when employees arrived for work Saturday morning.

## Broadus 3930, Black 2060... Record Vote Ends Uncontested Tenure

In a record turnout of 6,092 voters for Saturday's Democratic primary election, Milam County elected a new sheriff, new county attorney, and also voted for delegates supporting presidential candidate Jimmy Carter.

Several runoff elections also developed out of the primary.

With a vote of 3,930 to 2,060, voters elected Leroy Broadus over incumbent Sheriff Carl Black, who has served for over 25 years. Broadus is a former Texas Department of Safety Highway Patrolman.

John B. Henderson Jr. with 3,369 votes defeated incumbent Charles C. Smith Jr. with 2,274 for county attorney.

Adolph Gresak with 312 votes will be in a runoff with Evelyn D. Abel with 203 for county commissioner of Precinct 1. Herman Dörner Jr. polled 141.

Gerald Vincon with 948 defeated R. C. Richards with 377 for county commissioner of Precinct 3.

The race for constable of Precinct 1 will be decided in a runoff between H. T. (Tommy) Chamberlain and Maurice Lowery. Chamberlain received 714, Lowery 599, and Claude Sanders 543.

Rex B. Jones with 75 will be in a runoff with Griss Wells with 87 for constable of Precinct 2. George T. Vickers received 37 votes, Coy Shuffield 52, and Julius Harwell 35.

J. T. Morgan with 427 votes defeated O. Doug Lystra with 88 for constable of Precinct 3.

Finis Voyles with 148 was elected constable of Precinct 5, over Charles Fitts Jr. with 64 and David G. Beck with 26.

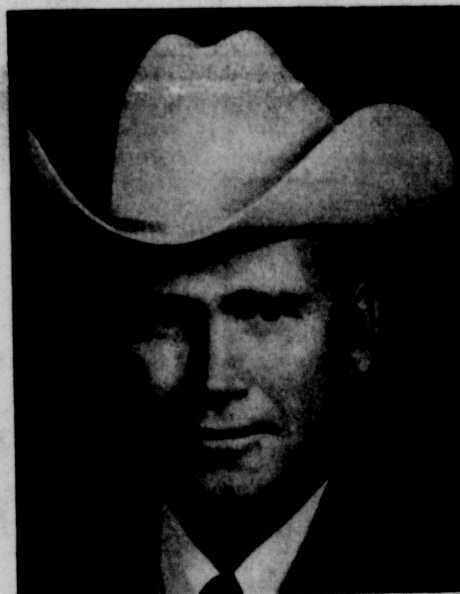

John Zajicek with 212 was elected constable of Precinct 3 over Warren E. McCall with 107.

P. L. Paris with 393 defeated B. D. (Bob) Sheppard with 144 and Wayne Brinkley with 43 for constable of Precinct 8.

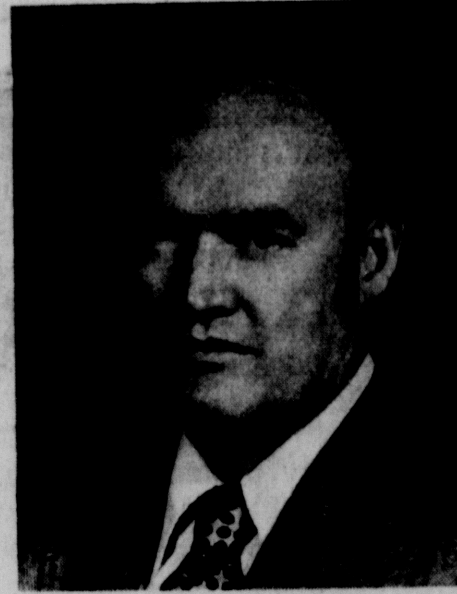

In other election results, Milam County voted 3,152 for Sen. Lloyd Bentsen, with Gramm receiving 1,984; Dugi 50; and Wilson 359.

For Railroad Commissioner Lane Denton carried with 1,541 votes, followed closely by Newton with 1,198 and Sadler with 971.

Yarbrough carried the election for Supreme Court Place 2 with 3,455 votes to Barrow's 1,227. Countians voted 3,174 to 1,503 to elect Roberts to the Court of Criminal Appeals over Chamberlain.

## GOP Primary

Delegates for Ronald Reagan in Saturday's Republican primary won over those for Gerald Ford, following a state-wide trend, with 103 votes for each of the four delegates.

Some 150 persons voted in the GOP primary.

The four delegates for Gerald Ford received 38 votes each.

For U. S. Senator, Louis Leman received 26 votes, Alan Steelman 41, and Hugh Sweeney 28.

For U. S. Representative for the 11th District, Jack Burgess received 93 votes.

Walter Wendlandt received 92 votes in his bid for Railroad Commissioner.

A total of 20 votes was cast for Jack Tumlinson to serve as Republican county chairman, with Alan Rosenbaum receiving 9, and 2 votes each for James E. Luckey and Estel Johnston.

All five resolutions on the GOP ballot carried.

## Registration Set For 1st Grade, Kindergarten

Registration for kindergarten and first grade students for the 1976-77 school year will be held in the Ben Milam principal's office May 12 and 13. The office will be open from 9 a.m. to 12 and from 1 to 3 p.m.

Children now attending second semester kindergarten need not pre-register for the first grade. Those students that attended the first semester kindergarten only do need to pre-register for the first grade.

Children who have not attended kindergarten in Cameron will be required to have a birth certificate and up-to-date immunization records.

Kindergarten registration at Buckholts Schools will be held on Tuesday, May 11 from 8:30 - 11 a.m. for those children who will be 5 before September 1, 1976.

Parents are asked to bring birth certificates and shot records.

## Political Shakeup...

Here is a lesson in progress. For those interested in such things it is a lesson in politics.

A record primary turnout May 1 defeated a sheriff in his first contested race in 32 years and a county attorney running for his first elected term since appointment to succeed the man who beat him.

Sheriff Carl C. Black, 77, lost by an overwhelming 2 to 1 margin to Leroy Broadus, 41, former patrolman with the Department of Public Safety in Cameron.

County Atty. Charles C. Smith Jr., also a former county judge, lost by a 3 to 2 margin to John B. Henderson, Jr., 43, who returns January 1 to the office he resigned in 1972.

A campaign for "modern law and order" combining with the first Texas presidential primary sent more than 6,000 voters to 20 polls and absentee balloting in the Milam Democratic primary. More than 125 voted in the Milam Republican primary.

Interest in the sheriff's race was historic. It evolved from Milam grand jurors' questioning the adequacy of grand jury case preparation.

Rural spokesman including Milam County Farm Bureau joined the controversy even before county newspaper editors and a radio newsman were subpoenaed by a reconvened grand jury.

Substance of these appearances brought out a list of 15 recommendations for improvements in the criminal justice system in Milam County for sheriff and county attorney's offices. The incumbent county attorney suggested recommendations after grand jurors had taken the issue to the public.

Emerging from the controversy was a question of adequate pay for investigators and adequate number of investigators in addition to better salaries for law enforcement personnel through-

out the county jurisprudence system.

Rural landowners called for an outside audit of county records, which the County Commissioners later authorized for a one-time cost of \$16,500. It will be the first outside professional audit, postponed until after the May 1 primary, in the history of Milam County.

It was the Cameron Herald which broke the story in mid-December of the grand jurors' concern about the state of justice in Milam County and concern about case presentation before grand jurors in sessions considering indictment information.

It was the Cameron Herald which called for a thorough investigation of allegations raised by grand jurors themselves in reconvened sessions of the current grand jury.

The grand jury reconvened and reported the 15-point advisory to county commissioners.

Opposition candidates began filing for office to create races for sheriff and county attorney. Filings for constable came in record numbers in several constable precincts.

The incumbent district judge of 16 years announced prior plans to retire at the end of the current term. The county-district attorney in Robertson County, the other half of the 20th Judicial District, announced plans to retire after about 20 years in the post.

A former county judge in Milam County, Don G. Humble, 48, filed for district judge and won nomination unopposed in the May 1 Democratic primary, tantamount to election.

The May 1 Democratic primary confirmed the largest public and necessarily political shakeup in Milam County history, a span of 136 years.

### CLARIFICATION

The following paragraph in a May 3 editorial should read like the paragraph at right.

Scoop Jackson, the Democratic alter-ego of President Ford, is part of the fading Washington establishment, having been pulled into the incumbency from House minority leadership, but sounding less like a spokesman for big central government than any president since Eisenhower.

Scoop Jackson, the Democratic alter-ego of President Ford, is part of the fading Washington establishment, whether he likes it or not. # Inflation To Boost Auto Insurance Rates

Another auto rate increase will be requested this summer.

An industry spokesman last week said companies which write insurance on cars are in a "back to the wall" bind due to inflation and the soaring cost of repairs.

Rates were boosted on an average of 17 per cent effective January 1.

The State Board of Insurance annual auto insurance hearing has been slated for July 15.

Jerry Johns, president of Southwestern Insurance Information Service, claimed the worst inflation in a quarter century is gripping insurers.

"Unless the industry seeks additional rate increases, the state's insurance industry stands to

lose hundreds of millions of dollars next year," said Johns.

The SIIS spokesman estimated company losses nationwide last year at \$4.5 billion.

Johns said car repair costs and medical expenses covered by auto policies have tripled during eight years.

Many companies, said Johns, are facing escalating costs which "seem to rise almost daily" and must have rate relief to survive.

### Bell Rapped

A State Senate subcommittee by a three-to-two vote adopted a staff report criticizing Southwestern Bell Telephone Company expenditures for entertainment.

The report claims Bell inflated figures going into its rate base by inclusion of "questionable expenses."

Company spokesmen challenged the report and said it "reaches conclusions not supported by fact" and ignores testimony contradicting the conclusions.

### Courts Speak

Texas Supreme Court held the press and public have no blanket rights to see all police records.

Third Court of Civil Appeals upheld a 1975 act regulating mobile home manufacturers and distributors.

In other actions, the Supreme Court upheld a \$155,000 damage award to E. J. Richard, a Union Oil Co. ship officer, and a \$55,000 settlement to a San Antonio city employee burned by gasoline.

The Court of Criminal Appeals affirmed a life sentence conviction of a Dallas repeat offender for carrying a pistol into a place selling alcoholic beverages.

### Suit Filed

Atty. Gen. John Hill filed civil suits for more than \$2 million which he alleged was stolen from the Duval County Conservation and Reclamation District.

The largest of three suits alleges establishment of a secret account at the First State Bank of San Diego used to make payments and purchases

with water district tax money.

### Funds Reallocated

More than \$4.5 million in federal Hill-Burton construction funds have been reallocated to 14 facilities across the state by the Texas Department of Health Resources board.

About \$3.8 million worth in loan funds went to hospitals in Dallas, Beaumont, Lubbock, Clarksville and Mount Pleasant.

Rehabilitation grant funds went to Houston, Fort Worth and Lubbock institutions.

Modernization funds were reallocated to El Paso, Dallas, Denton, Liberty, Woodville and Coleman hospitals.

Rehabilitation grants totalled \$151,754 and modernization funds \$525,198.

### AG Opinions

A contract to purchase land for a school building is public information which must be produced for inspection or duplication under the open records act, Atty. Gen. Hill said.

A contracting governmental authority may require a prime contractor to execute a bond for contracts not in excess of \$15,000, Hill concluded in another new opinion.

Hill also stated, in a third opinion, that persons may not represent themselves as landscape architects unless they are licensed as such.

because they make only \$42,000 a year.

And when you consider what the average man makes, this means that nearly everybody in the country is going to get mad at Congress. What happened to all the talk about equal employment opportunities?

I don't think ABC and Miss Walters realize what a hornet's nest they've broken open, although ABC may notice something buzzing about its head if, after a few months, the novelty of a woman as an "anchor-person" wears off and people go back to watching whichever network they were watching before.

Incidentally, Miss Walters, who was making about \$500,000 a year in her old job with NBC, was quoted as saying, after she signed her 5-million-dollar contract "I've always thought, if I had a million dollars, I'd sleep till noon every day." That's New York provincialism for you. You don't have to have a million dollars to sleep till noon. I believe I could do it on half that, and some people, I'm told, do it on no more than a welfare check.

Yours faithfully,  
J.A.

### Challenge Suggested

Texas Water Quality Board Director Hugh Yantis suggested a state suit may be needed against the federal government if federal Voting Rights Act decisions hamper efforts to control water pollution.

Yantis said Justice Department orders wiping out city annexations could make some areas ineligible to issue waste water bonds. He cited a ruling challenging 13 San Antonio annexations on grounds they diluted minority votes.

### Gas Prices Posted

A new General Land Office publication will offer gas price information to consumers and producers.

Land Commissioner Bob Armstrong said three highest prices paid for natural gas in each Railroad Commission district will be compiled monthly from his office's records, the comptroller's office and from producers and purchasers.

The listing is not available from any other source, the commissioner said, and will be available for \$30 a month.

### Short Shorts

Gov. Dolph Briscoe named Raul Jimenez of San Antonio and Fort Worth to the State Board of Public Welfare, succeeding George A. Butler of Houston who resigned.

# Gause News

By Mrs. Wanda Lee

Sunday is the Big Day -- the annual mother's day homecoming. Everyone is cordially invited to attend. This year the program will be held at the Baptist Church with the program beginning at 10:45 a.m., followed by a picnic lunch at the tables between the Baptist Church and the cemetery.

Town folks, if you name failed to appear on the list posted at the churches, come and help where you think you can be the most help.

If it's raining Sunday remember the churches both have an annex where your family and friends can go to.

At 2:30 p.m. the Historical Marker Dedication will be held on Front Street, west of town on highway 79. Don Humble will give the dedicatory address. Everyone is urged to wear bi-centennial dress.

Gause has won first place in district 10 in Texas Community Improvement Program. Schwertner second, Coupland third, both in Williamson County, New Berlin fourth in Guadalupe County and Little fifth in Travis County. Regional III judges will visit us May 12.

Let us work together and be first. Our district award is \$100. Our meetings are 7:30 p.m. each first Monday. The 4-H club meets 7:30 p.m. each second Monday. The 4-H members helped to win the \$100 in our district program.

The Baptist Church has new times for its Sunday and Wednesday night service. The Youth Group will meet at 6 p.m., training union at 6:30 and worship service at 7 p.m. and

prayer meeting Wednesday at 7 p.m.

Mrs. Lula Shaw passed away at her home in Gause Sunday morning.

Mr. and Mrs. Henry Simmons spent several days last week in Houston with Mr. and Mrs. Tee Joe Marks and Traci. They went to help Traci celebrate her birthday.

Mr. and Mrs. J. W. Bland of Humble visited Saturday with Mr. and Mrs. George Bland.

Mr. and Mrs. Koye Cass visited in Lexington Friday night with Mr. and Mrs. Jimmy Cass, Dwayne, Lisa and Carmen.

Friends and former students of Mrs. Elizabeth (Aldrich) Harper are giving a reception for her Friday, May 7 at 7:30 p.m. in the Gause Methodist Church Annex. Everyone is invited to attend. Mrs. Harper now lives in San Angelo. Mrs. Harper taught in the Gause High School during the years 1924-25. She was married to Higdon Gaston (deceased) of Gause and her son Higdon, Jr. and granddaughter, Cathy live in Midland.

Last Tuesday night Mrs. Cecil Butler and Mrs. Wayne Lee and Kristi went to Cameron and attended a bi-centennial program at the school gym. The program was presented by Mrs. Thomas Dusek and her school music classes. Staci Hux, granddaughter of Mrs. Butler was in the program.

On Wednesday night following prayer meeting the Baptist Church had a covered dish supper, which was in reality a surprise party for Mrs. Dusek's birthday. Mr. Albert Olinger was also honored for his birthday.

Mrs. Ruby Garland Mr. Ross Hickman of Glendale,

Calif. visited and attended church services at the Methodist and Baptist Churches Sunday. They were here to attend a family reunion in Calvert.

Mrs. Tressie Fikes and Mrs. Thelma Conner of Cameron visited their cousins, Mr. and Mrs. H. B. Alexander and Margie Nan Sunday afternoon.

Everyone is invited to a miscellaneous shower honoring Rock Ely and his fiancée Roseanne Perrone on Tuesday night, May 18th at 7:30 p.m. at the Methodist

Church Annex. Hostesses will be Mrs. Edrie Browder, Ariel Shaw, Mildred Ely, Temple Butler, and Wena Bailey.

Cameron, Texas, Herald, May 6, 1976 Page 3.

Mrs. Mabel Stracener and Mrs. Parrott of Milano visited one day this past week with Mr. and Mrs. Thur-

man Wilson. Mr. and Mrs. Dave Wilson and family spent the weekend with his parents.

## Brown Guest Speaker At Appreciation Banquet Here

Reagan Brown, Special Assistant to the Governor was keynote speaker Monday night at the D.E.-H.E. C. E. Employee - Employer Appreciation banquet. Over 100 were in attendance at the function that heard Brown speak on 4 points to becoming successful.

Humor, wit, and a realistic approach to becoming successful was a formula that Brown focused on. Being the special assistant to the governor, Brown noted that there is a need to support our government and cited it as the best.

Brown holds three degrees from Texas A&M and is a professional sociologist. Besides his role in the governor's office that includes public relations Brown has been a vital figure in agriculture.

In 1968 he was chosen as Cattleman of the Year and has the task of job creation in the agricultural community. He was Captain of the 69th Division in WWII and holds 8 medals including the Purple Heart.

Prior to his engagement in Cameron, Brown has spoken at 338 banquets and addressed over 142,000 people. His busy schedule included speeches in Colorado and Louisiana this past week.

The annual event is hosted by the students enrolled in Distributive Education and Homemaking Coop. The vocational programs give the high school students the opportunity to work in the community during class hours.

The event highlights the past year's accomplishments and honors the businesses that employ the student workers.

Entertainment at the function included a singing group made up of Laura Delony, Karen Hughes, Julie Smitherman, Christi Tumlison, and pianist Mrs. Lavern Humble. Also, playing the piano was Barak Waldron.

The banquet was co-hosted by Molly Story, president of the Homemaking chapter and Eddie Fuller, president of the D. E. chapter.

A Weekly Report Of Agri-Business News

Compiled From Sources Of The  
TEXAS DEPARTMENT OF AGRICULTURE  
John C. White, Commissioner

**Green, Red, Yellow, Pink, Orange** ... Texas Ambrosia  
Texas agriculture is ready to serve up some of its  
best-tasting food in the coming weeks. In some parts of the  
state, it's time for tomato harvest as well as cantaloupe,  
watermelon, carrot, cucumber, honeydew, green pepper,  
and onion.

It's fresh fruit and vegetable time in Texas. Now is the  
time to get ready to enjoy it.

Cantaloupe harvest, for example, is expected to be  
underway this week in the Rio Grande Valley, while in the  
Laredo area the crop is making good progress; in the Winter  
Garden area, planting is finished.

Watermelons are expected to be coming from South  
Texas this month. Seeding is in progress in the eastern part  
of the state and planting will also be underway on the High  
Plains this month.

Tomato harvest in the Valley is making progress.  
Elsewhere, planting is moving along; some plants had to be  
replanted due to freeze damage in Central Texas. Field  
setting is active in both East and North Texas and planting  
should be in progress on the High Plains.

A small crop of honeydews has been planted in the  
Laredo area this season. Harvest should be moving along  
now. The majority of the crop will be grown in the Valley  
and it is making good growth.

Harvest of the green pepper crop is also underway in  
the state. The majority of the crop is in the Valley. Only a  
small acreage is expected in the San Antonio-Winter Garden  
area.

Carrot digging should remain active in the Valley  
through May. Supplies should also remain available from  
the San Antonio-Winter Garden area into May.

To add a really fresh taste to it all, consider the spring  
onion crop for Texas. A record crop is expected, 41 per  
cent above last year. The April 1 forecast, however, is down  
five per cent from a month earlier.

Onion supplies will be available in May and June from  
the later varieties planted in the Valley. In the San  
Antonio-Winter Garden area, supplies should remain  
available through June and possibly on into July.

**NOW IS ALSO THE TIME** to make application in the  
Family Land Heritage Program. The Program honors those  
Texas families who through the generations have  
continuously owned and operated the same farm or ranch  
for 100 years or more.

Almost 950 farm families in Texas have been honored  
during the past two years.

Complete information may be obtained by writing the  
Texas Department of Agriculture, P.O. Box 12847, Austin,  
Texas 78711.

## Factors Working Against Cotton Fields This Year

Just about every factor  
you can think of: hail, wind  
damage, cool weather, ex-  
cess moisture, and thrips  
are working against cotton  
in Williamson and Milam  
Counties.

Light thrip infestations  
have been found in both  
counties; however, in all  
fields checked, no terminal  
(growing point) damage was  
observed.

Some producers have ex-  
pressed concern for thrips  
damage since leaf deformity  
is readily observed in most  
fields. Until thrips start  
destroying the terminals of

the plant it is not con-  
sidered economical to apply  
insecticides for their con-  
trol.

The reason the cotton is  
not growing is primarily due  
to the cool soil temperature  
and not damage caused by  
thrips. If we could apply a  
treatment for sunshine and  
higher soil temperatures,  
I'd say go ahead, thrips not  
right now.

Beneficial insect activity  
in cotton still remains at a  
low level. Lady beetle ad-  
ults, minute pirate bugs, and  
Schymnus beetles have been

found in low numbers in cot-  
ton fields. Moth ZV traps  
catches have increased slightly  
this past week. The  
highest catch was seven boll-  
worms in one night. Light  
trap catches average one or  
two bollworms per night.  
Only one tobacco budworm  
adult has been caught since  
the traps were installed.

Nineteen weevils were col-  
lected in Williamson County.  
Six weevils were collected  
from traps in Milam County.

Many producers in Milam  
County are still waiting for  
favorable planting conditions.  
Continuous rains have great-  
ly delayed cotton planting.

### GRAIN SORGHUM

Aphids populations are still  
below economic threshold le-  
vels in grain sorghum. Only  
very light populations of  
greenbugs have been found in  
grain sorghum. Corn leaf  
aphids are readily visible in  
the whorls of sorghum plants  
in most fields checked. No  
yellow sugar cane aphids have  
been found so far.

Beneficial insect activity  
has greatly increased in most  
fields in the Pest Management  
Program. Corn leaf aphids  
have been present in grain  
sorghum since emergence  
which has allowed beneficial  
insect to increase. Since  
the lady beetle larve and  
adult and lacewing larvae  
and adult are notorious for  
their searching ability, they  
have kept greenbug popula-  
tions well below damaging  
proportions.

### MITES IN NEWS

A Williamson County fish  
bait raiser reported that there  
was a mite infesting their  
earthworm culture. This  
mite is called the earthworm  
mite and can completely kill  
a culture of "fishing worms."  
In addition, they are hard  
to control since most chemi-  
cals directed against the  
earthworm mite will also  
kill the earthworms.

A concerned Williamson  
County horse owner found  
that his horse was losing  
hair around the eyes on the  
shoulders, and between the  
front legs. Demodex equi,  
the horse mange mite, is the  
probable culprit. The Dem-  
odicid mite will also affect  
dogs, cats, swine, cattle,  
goats, sheep, and rabbits.

In addition to this group  
of mites, other mite species  
will also cause a loss of  
hair in animals. Treatment  
is based on the type of mite  
causing the damage and the  
animal infected.

## Tomatoes Show Foliar Diseases

By Bill McCutchen

Many home gardeners have  
called about foliar disease  
that are affecting their to-  
matoes and I can sympathize  
with them as I am having  
some of the same trouble  
with some varieties.

I consider variety resis-  
tance to be of prime impor-  
tance in controlling these  
fungal diseases. My Super  
Fantastic tomatoes seem  
highly susceptible, while my  
Spring Giant, Early Girl,  
Better Boy, Big Set, Home-  
stead, Rutgers, Terrific,  
and Florida MHI are showing  
little disease at this time.

Variety resistance, of  
course, is something to re-  
member for next year, as  
most have plants well es-  
tablished now. If you note  
leaf spotting due to Early  
Blight, or Gray Leaf spot  
this can be controlled by  
Maneb or Zineb at seven  
day intervals. Repeated  
applications will be neces-  
sary for control.

### CROP OUTLOOK

The crop situation is look-  
ing somewhat dismal at pre-  
sent with over 10 inches of  
rain in April resulting in  
some weak stand of sor-  
ghum and less than ideal  
growing conditions. Sor-  
ghum was beginning to show  
some signs of quick growth  
before the heavy rains and  
cool temperatures last week.  
Some were able to plow grain  
sorghum between rains but  
much remains uncultivated.

The cotton situation is still  
more dismal. Some farmers  
will have to plant over for  
the third time as wet weather  
and cold soil temperatures  
continue to cause problems.  
Those who were able to

plant on a raised bed have  
generally been able to main-  
tain stands, while seed have  
rotted on flat plantings and  
where cotton was planted in  
water furrows.

In many fields (sore-shin)  
or damping off is thinning  
stands to where replanting  
will probably be necessary.  
Some farmers may go with  
less than ideal stands as they  
are concerned about late  
plantings.

Most of the cotton was  
planted in the Thorndale area  
and up to a stand with some  
replanting necessary. In the  
remainder of the county over  
half of the cotton had been  
planted, but replanting will  
be quite common.

Wheat continues to look  
promising and is filling well  
and beginning to mature. This  
plus good pastures and climb-  
ing beef prices are about the  
only things looking good at  
present.

### Westbrook Joins Jr. Angus Group

Loren Dale L. Westbrook,  
Milano, Texas, has been  
granted a junior membership  
in the American Angus Asso-  
ciation at St. Joseph, Miss-  
ouri, announces Lloyd D.  
Miller, executive secretary.

This new junior mem-  
bership entitles the member to  
register purebred Angus at  
regular membership rates  
and to the privileges of the  
Association until the age of  
21. At that time junior mem-  
bers are eligible to convert  
to lifetime memberships in  
the Association.

There were 131 young  
people in the United States  
to receive junior mem-  
berships last month.

## Prices, Exports Stable For Feed Grain Outlook

The feedgrain industry is  
alive and well in the United  
States and Texas. Prices  
are remaining stable, and  
exports are going strong.  
That assessment comes  
from Roland Smith, grain  
marketing specialist for the  
Texas Agricultural Extension  
Service.

"U.S. corn exports are  
keeping up with previous es-  
timates, and soeighm exports  
are running ahead of last  
year's levels," says Smith.  
"Prices should not ease  
much, even with a large feed-  
grain crop this year, because  
of the strong export market."

According to April 1 ac-  
creage intentions, U.S. farm-  
ers plan to plant six per-  
cent more acres of corn.  
Texas corn acreage should  
also make another increase.  
However, the planting inten-  
tions indicated a smaller sor-  
ghum crop.

"The decrease in sorghum  
acreage could be the result  
of pessimism from the ear-  
lier dry weather throughout  
the state," notes Smith.  
"However, recent rains may  
cause farmers to plant more  
than was indicated April 1.  
Feedgrain planting is off to  
a good start in Texas and  
throughout the U.S."

More export markets, in-  
creased cattle feedlot place-  
ments, and an increase in  
hog numbers all have contrib-  
uted to a fairly favorable  
feedgrain situation, points  
out the Texas A&M Univer-  
sity System specialist.

Smith says cattle feedlot  
placements in the first quar-  
ter of 1976 were up 14 per-  
cent from last year's level

and the total cattle on feed  
was up 28 percent. These  
were somewhat below the  
levels that were projected,  
however.

In addition, hog farrow-  
ings for the December-Febr-  
uary period were up 15  
percent from the 1975 level,  
5 percent over earlier ex-  
pectations.

"All this will create a lar-  
ger livestock base for feed-  
grain usage of the 1976 crop,"  
notes the specialist.

**Bellringer Workers**  
 To Call In May  
 Mrs. Jan Luecke of Cameron will lead Bellringer workers in a house-to-house drive during May, Mental Health Month.  
 "Proceeds will go to the Texas Association for Mental Health," said Carroll B. Bryant, president of the voluntary organization.  
 During his term as head of the statewide organization, Bryant cited expansion and revitalization of the legislative network as his top priority. As citizen "watch-dogs" for mentally ill persons, members work to see that government funds are spent effectively for treatment services and prevention programs.

Baseball great, Lou Gehrig, didn't miss a game for years, running up a playing streak of 2,130 consecutive major league games!

# Regional Ends Track, Golf & Tennis Seasons

In Regional competition during the past weekend the Yoe teams from golf, tennis, and track failed to produce any state finalists. All regional competition was hosted by Brenham and was held at Blinn Jr. College. The golf team played at Brenham Municipal Golf course.

## TRACK TEAM

Three individuals and the mile relay teams ran in the regional meet after qualifying at the district meet in Rosebud-Lott.

Robert Miller finished in 3rd place at regional in the 220 yard dash. Miller finished with 22.1 clocking. The winning time in the event was 21.8.

Michael White finished 5th in the 440 yard dash. White had a 50.2 time in the quarter. Giddings won the event with a 48.9 clocking.

Joe Smitherman finished 7th in the discus, with a toss of 50'3". The winning toss was 55'.

The mile relay team finished second in their heat with a time of 3:25.2 and failed to qualify for the finals. Staley Manners, John McIntyre, Robert Miller, and Michael White make up the relay team.

## GOLF TEAM

In the regional golf competition Yoe members Gene Goeke, Richard Trubee, Lynn Roberts, Gerry Heltman, and Richard Raymond had a combined total of 345 after 18 holes.

Lynn Roberts placed 6th in the medalist competition.

There was only one qualifying round after the first round was rained out. The team failed to shoot as well as they had in the district competition. The best team effort was against Rockdale with a 319 that would have won the regional tourney.

Willis High won the competition followed by Dibol with a total of 322 for second place. Westlake, the only

other 23AA team finished 5th with a 329.

In the over all competition Yoe finished 10th of the 18 teams. The first and second place teams advanced to state.

Individual rounds were G. Goeke, 87; R. Trubee, 97; L. Roberts, 82; G. Heltman, 84; R. Raymond, 92.

## TENNIS TEAM

Randy Miller and Clay Kruse competed in the boy's doubles at the regional level and were the first Yoe team to ever compete at regional.

In the first round the Yoe team was defeated by Bart Barstow and Rick Henche of Haletsville. In match play Miller and Kruse were defeated 6-1, 6-0.

## \*SPORT SPOTLIGHT\*

By FORREST GUESS

### TENNIS...

Growing pains from tennis can be felt throughout Texas and as a matter of fact, the U.S. It also happens to be one of the few international sports that attracts millions of people throughout the year.

Just across Little River in Rockdale, I hear that they are realizing the pains of the growing popularity of tennis, too.

Noted in the Rockdale Reporter, a plea for additional courts has become subject of discussion for avid tennis fans.

As a vice the Reporter noted the addition of the four new courts in Cameron. And called Taylor something of a tennis metro.

Rockdale as noted is in need of additional tennis facilities. Something that isn't familiar in Texas where tennis has been less accepted than anywhere in the world.

The cost of the tennis courts in relationship to other sports is minimal. For usage, as proven in City Park, the courts provide recreation for more young and old, than any other recreational facility available in the city.

Good Luck Rockdale.

### MUHAMMAD ALI...

Some writers termed it "fixed," others said bunk--while the circuits were jammed into the ABC telephone switchboard after the Friday night title fight between Ali and Jimmy Young.

The nationally televised bout brought ring side patrons to their feet protesting the unanimous decision that allowed Ali to hold on to his heavyweight title.

It had to be the worst ever.

The overweight champ displayed the poorest showing in his career in front of 12,400 plus fans and to a nationwide television audience.

It was a closer fight than the unanimous vote of the judges. While many felt that Young had won the fight.

It turned out to be Young versus Old--and Young failed in the first attempt, but Ali said that Young would someday be the heavyweight champ--

### THOMAS?...

Welcome back? ... or I'm not sure. The Dallas Cowboys announced that they have re-signed Duane Thomas to their team.

Didn't it come as a shock? Landry said that Thomas comes to the Cowboys as a rookie and will have to prove himself.

The question is, not if you have the athletic ability but the attitude to play. There have been many athletes that have the ability--but... The But happens to destroy many would-be greats--from high school level all the way to the top.

Thomas was one of the greatest Cowboys measured by ability but one of the worst as far as what it takes to be a winner.

General Manager for the Cowboys, Tex Schramm, noted that it was up to Thomas as to whether he would make the team.

Reports from the camp show that Thomas is working out hard and has been well accepted by his team mates. Thomas said that he knew he would have to change and he was ready to play.

I'm a Landry backer--he's a winner. But, I've got to wait and see on this decision.

### REGIONAL...

Regional turned out to be the final limits for the Yoe athletes that participated last week. Golf, tennis, and track all had places in the regional level competition.

Although no Yoe team will advance to state, many first have been scored. Tennis has emerged as a major high school sport. Golf, another individual sport, has emerged as a winning sport.

Everything has gone to form again this season for Yoe--including fine showing by regional finalists.

PINEWOOD DERBY winners are shown here with wide smiles as they display trophies won in the Cub Pack races. First place winner is Derrick Vybiral, center. At left is Charles Mitchan,

second place and Chris Glaser, right, third place. The boys, with dad's help, make their own cars for the annual race.

## Volleyball Tourney Set At Thorndale

The Thorndale Parent-Teacher Association is gearing up for its May 3-8 Bicentennial Spring Fair. One of the main events will be

the Third Annual Volleyball Tournament which will run May 6-8 in the high school gym.

There are eleven women's teams and eight men's teams participating.

The games will start at 6:30 p.m. on Thursday and Friday, May 6 and 7, at 9 a.m. on Saturday May 8 and continue through until the last set.

The finals will start promptly at 6:45 p.m.

Admission will be 25¢ for children and 50¢ for adults. Refreshments will be available.

## Couple Exchanges Vows

Miss Sherry Lynn Zalesky, daughter of Mrs. Monroe Bayer of Bedford, and Mr. Benard Zalesky of Cameron, was united in marriage with Jimmy Ray Vansa, son of Mrs. Louis Vansa Sr. of Cameron during a double-ring ceremony held Saturday, April 24 at 2 p.m. at S. S. Cyril and Methodius

Catholic Church at Marak. Rev. Father Noble officiated at the wedding and the music was furnished by Mrs. Alfonso Tomek.

Given in marriage by her father, the bride wore a formal gown of satin with a full skirt and long sleeves. Her chapel train was also made of satin. Her long

veil fell from a crown of pearls, and she carried a colonial bouquet of white carnations and baby's breath.

Serving as maid of honor was Miss Diane Vansa, sister of the groom, who wore a formal gown of mint green. Bridesmaids were Rosalie Halpain, sister of the groom, Kathy Vansa, sister-in-law of the groom, and Cynthia Hurtik, cousin of the bride. The wore dresses of rose pink, yellow, and blue, respectively, matching headpieces, and carried a one stem carnation to match their dresses.

Best man was Anton Dohnalik. Groomsmen were Jimmy Halpain, brother-in-law of the groom, Leroy Vansa, brother of the groom, and Robert Vansa, cousin of the groom.

Jeff Hux, cousin of the bride, was ring bearer. Flower girl was Sharon Vansa, niece of the groom.

Louis and Stanley Vansa were ushers and Richard Vansa was mass server.

Supper was served following the wedding at the parish hall. Mrs. Margaret Pabalek registered guests at the reception. The bride's table was covered with net over a white cloth and centered with a wedding cake baked by Mrs. John A. Sefcik of Cameron.

Members of the house party were Evelyn Hubnik, Josef Janek, Mary Hurtik, Mary Joe Hux, Jackie Matthews, Stasie, and Theresa Barosh.

The bride is a 1974 graduate of Bell High School in Bedford. The groom is a 1970 graduate of Yoe High School in Cameron and is presently employed at Style-Home.

After a wedding trip to Galveston, the couple will live in Cameron.

MR. AND MRS. JIMMY RAY VANS

## SCHOOL NEWS

Yoe High School Band was awarded a first in both concert and sightreading categories during the UIL Concert and Sightreading Contest held at Temple Junior College on Wednesday, April 28.

These superior ratings enabled the band to receive a plaque which is termed the "special award" given to bands making a first in both concert and sightreading.

The band is presently working on music they will present on May 15 during the bicentennial program, spring concert on May 20, and baccalaureate and graduation exercises on May 23 and 28 respectively.

After school is out, the band will participate in the Folk Fete parade on June 12, dedication of a marker for a new park by the O. J. Thomas School, and the Ministerial Association Sunday Service on July 4.

## Bridal Gowns Show Current And Traditional Trends

COLLEGE STATION Today's brides are marrying in more formal, traditional ceremonies, Mrs. Becky Culp, a clothing specialist, reports.

"Weddings are clothing oriented, and today's bridal gowns reflect both current fashion trends and the traditional element," she added. Mrs. Culp is with the Texas Agricultural Extension Service, The Texas A&M University System.

"Full skirts, fitted waistlines, long sleeves, and high necklines are favorite design details."

"The beauty and luxury of traditional fabrics—laces, ribbons, brocades, or tulle in white or shades of off-white—stand alone or mingle flexibly with popular pastel or printed muslins, crinkles, knits, or sheers. "Texture provides major

interest and variety from velvety touches to light, airy layers or dainty flower petals," she notes.

The specialist said that a recent survey indicated that the average bride will spend \$250 when buying her gown and \$200 on buying gowns for her attendants.

"Almost one-third of the brides make their own gowns and can save two-thirds of the cost of read-to-wear by doing this.

"And besides the money saving, brides can achieve a custom look along with feelings of personal satisfaction," she said.

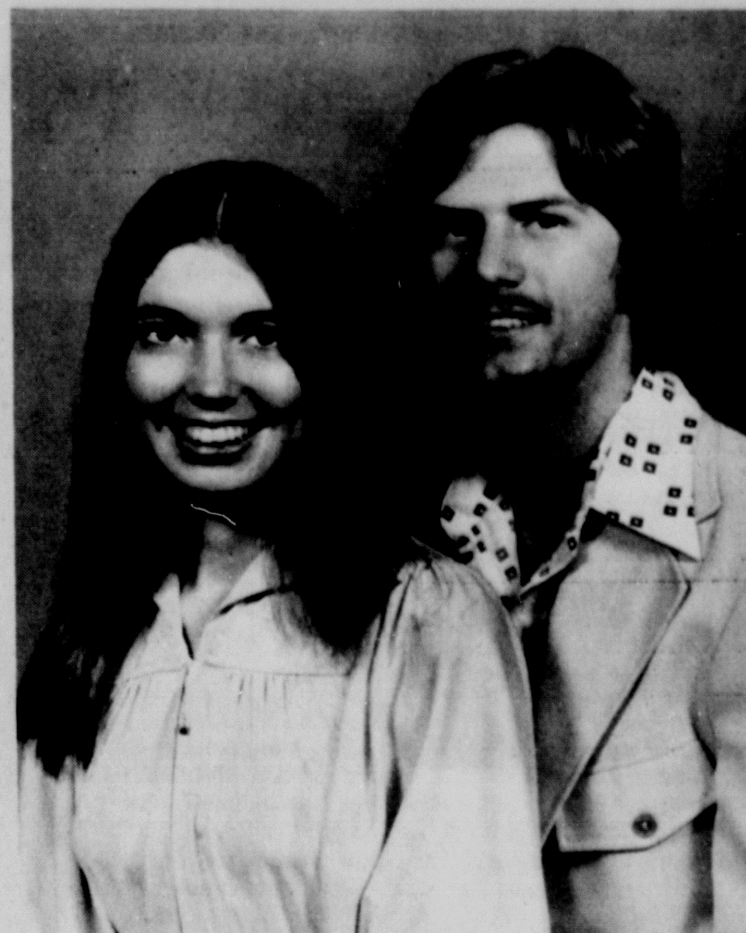

## Luncheon Entertains Bride-Elect

Miss Jane Callaway, bride-elect of Charles Maddox, was entertained with a luncheon Saturday, May 1, in the home of Mrs. W. N. Burns. Co-hostess was Mrs. William Elliott of New Boston.

The tables were centered with roses and baby's breath in the bride-elect's chosen colors of apricot and ivory.

Special guests were Mrs. J. L. Callaway, mother of the bride-elect and Mrs. C. J. Maddox, mother of the prospective groom.

A June 5 wedding in the First United Methodist Church is planned by the couple.

ENGAGED--Mr. and Mrs. Rudy J. Grossman Jr. of Rockdale announce the engagement of their daughter, Debra Ann, to Jack Lloyd Fenter, son of Mr. and Mrs. Robert H. Fenter, also of Rockdale. A June 27 wedding is planned at St. Joseph's Catholic Church in Rockdale.

## Beta Nu Chapter Holds Founder's Day Program

Mrs. Coy Arledge of Cameron presented the annual Founders Day Program for the noon luncheon meeting of Beta Nu Chapter of Delta Kappa Gamma at the Glaser Lake House at Buckholts, Saturday, May 1 with the Cameron members in charge of arrangements.

Mrs. Arledge gave sketches of the lives of the 12 founders of Delta Kappa Gamma by citing characteristics of each and showing how those characteristics influenced the organization by leaving to it a heritage of courage, devotion, and faith. She used roses to honor each, red ones for the two still living and white roses for those deceased. She outlined the history of the organization, which has now grown to national and international status. She closed by reminding the members of the society's sacred pledge: "Work for each for all."

Music was provided for the meeting by five Joy Singers of the First Baptist Church of Cameron. They were accompanied at the piano by Mrs. Don Humble, their director.

Mrs. Roy Hensley of Cameron, outgoing president, installed the following to serve as officers for 1976-78: Mrs. N. B. Range of Marlin, president; Mrs. Enos Lumpkin of Marlin, first vice-president; Mrs. Lee Roy Carter of Rockdale, second vice-president; Mrs. Marvin Pullin of Rosebud, recording secretary; Mrs. Bill Gause of Cameron, corresponding secretary; and Mrs. Grady Ligon of Lott, treasurer.

Mrs. N. B. Range of Marlin, new president, gave out the list of committee chairmen for 1976-77 as follows: Program of Work, Mrs. Enos Lumpkin of Marlin, Mrs. Robert Souther of Rosebud; Mrs. Jesse E. Holloway of Rockdale; Mrs. Doris Gleason of Maysfield, and Mrs. Thaggard Kirkpatrick of Marlin; Society Business, Mrs. Leo Kahler and Mrs. Luther Reaves of Rosebud; Mrs. W. R. ## MD Reports Walkathon Results

The local March of Dimes recently reported that the total collected this year from the March of Dimes Walkathon was \$1,200, four times as much as last year's total of \$300.

Of 80 participants, all were students from Cameron schools with the exception of Mrs. Florence Melasner who was the sole adult walker.

Jimmie Tate, third grade student at Ada Henderson, turned in the largest collection of any student who participated in the walk.

# OBITUARY

## Marek

Amos Marek, 78, of Cameron died Sunday in a Cameron nursing home after a short illness.

Funeral was at 3 p.m. Monday in the Marek-Burns-Laywell Funeral Home in Cameron with the Rev. Milton Maly and the Rev. Ernest L. Halsey officiating. Burial was in Oak Hill Cemetery.

Mr. Marek was born in Cameron and lived there all his life. He was a member of the Buckholts Brethren Church.

Surviving are one sister, Mrs. Viola Marek of Cameron; and one nephew, Ladis Marek Jr. of Cameron.

## Gee

Funeral for Oliver Leon Gee Sr., 61, of Rockdale, was at 10 a.m. Monday in Phillips and Luckey Funeral Home with the Rev. D.D. Simpson officiating. Burial was in the IOOF Cemetery.

Mr. Gee died Saturday in a Rockdale hospital after a long illness.

He was a member of the First Baptist Church and had lived in Rockdale for 13 years.

Surviving are his wife, Mrs. Ena Mae Gee of Rockdale; one son, Oliver L. Gee Jr. of Texarkana; one sister, Mrs. Irene Key of Rockdale and three grandchildren.

## Church Schedules Assembly

Once again Taylor has been chosen as the place to hold the forthcoming assembly of Jehovah's Witnesses scheduled for May 15-16 at the Taylor High School Auditorium.

Raymond E. Waldron, presiding minister of the local group, announced the theme of the assembly to be, "Become Doers of the Word," taken from the Bible verse at James 1:22. "In James' writings," Waldron continued, "he made mention of the fact that while people like to hear the Word of God, few there are that actually do the will of God. The object of our assembly is to encourage us to be 'Doers of the Word,' following as close as possible in the footsteps of Christ. It will help equip every one of Jehovah's Witnesses in the practical use of the Bible as a help in fortifying the spiritual morale of people in our community."

Jehovah's Witnesses are trained thoroughly for their teaching activities. They attend five classes weekly in their local Kingdom Hall, learning more and better ways to serve their Creator properly. "We maintain," explained Waldron, "that if a religion is worth believing it is worth putting into practice."

Sessions will begin at Taylor High School at 9:55 a.m. Saturday and conclude 4:30 p.m. Sunday.

Highlight of the gathering is Sunday at 2 p.m. when W. S. Brandozzi from World Headquarters at New York will deliver the sermon, "Are You Doing What God Requires of You?"

The public is invited to all sessions.

## Shaw

Mrs. Lula B. Shaw, 91, of Gause, died Sunday in her home.

Funeral was at 2 p.m. Monday in the Phillips and Luckey Funeral Home in Rockdale with the Rev. George Doss officiating. Burial was in the Harmony Cemetery.

Mrs. Shaw was a member of the Methodist Church. She was born in Washington County and had lived in Gause for 41 years.

Surviving are four sons, James M. Shaw, Vernon Shaw, and Delmo Shaw, all of Gause, and Oasie Shaw of Cameron; three daughters, Mrs. O. C. Davenport of Rockdale, Mrs. Cleo Green and Mrs. Lila B. Cass, both of Gause; one brother, Larkin McNeil of Rockdale; two sisters, Mrs. Katie Luckey and Mrs. Hallie Ashley, both of Rockdale; 27 grandchildren; 62 great grandchildren, and 8 great great grandchildren.

## McBride

Mrs. Nina F. McBride, 85, of Rosebud died Sunday in a Rosebud hospital after a long illness.

Funeral was at 2 p.m. Tuesday in Green Funeral Home in Rosebud with Elder Wayne Drosche and Elder Dennis LaRoque officiating. Burial was in the Powers Chapel Cemetery.

Mrs. McBride had lived in Rosebud more than 50 years. She was a member of the reorganized Church of Jesus Christ of Latter Day Saints in Rosebud.

Surviving are one son, Bruce McBride of Marlin; two daughters, Mrs. Joe Steinkirchner of Seguin and Mrs. Ola Mae Grapentine of Marlin; two brothers, Wilson Jackson and Marvin (Babe) Jackson, both of San Antonio; 13 grandchildren, 19 great grandchildren, and 4 great great grandchildren.

## Methodists To Honor Mothers

Mother's Day will be observed at the worship services of the Tracy and First Methodist Churches of Cameron this Sunday. Hymns centering around the theme of the home will be sung and the Scripture lesson will be read from Proverbs 31:10-31.

The chancel choir will sing the anthem "God Bless You, Mother." Jerry Bartley will direct the choir and Mrs. Catherine Thomas will play the organ. Rev. Stanley Vodicka, Jr. will conduct the worship service.

The Interdenominational Young Adult Fellowship will meet at the Methodist Church at 7 p.m. to go to Rockdale for a skating party.

The newly organized children's choir will meet on Sunday mornings at 10:30 a.m. This choir is for boys and girls in the 1st thru the fifth grades. Mr. and Mrs. Jessie White are leading this singing group.

Important summer programs are the choir clinic at Lakeview the week of June 6-11th; summer camp for youth from the fifth thru the 12th grades the week of June 14-18th; and vacation church school July 19th - 23rd. Max Shumate is taking care of the registrations for the summer camp at Lakeview. Cost is \$30 a week and registrations must be in by May 24.

### Wood Ideal For Paneling

Solid wood paneling continues to be a favorite with interior designers, despite skillful imitations with glued-on veneers or simply printed on hardboard.

But these don't quite capture the charm, warmth and "depth" found in sawn lumber paneling, in which grain and texture remain unaltered.

Western softwoods are a cinch for the home craftsman to install, and they're available everywhere in widths from four to 12 inches. A variety of edge patterns affords a choice of shadow lines between boards.

Different effects can be achieved by installing paneling in various ways, including these:

Run the paneling up and down to make a low room look higher.  
Install it horizontally, and a short room will look longer and lower.

Apply paneling, perhaps diagonally, so its lines lead the eye to centers of interest.

Install it so it provides continuity from one room to another.

Create a casual air with random widths, or be more formal with one width.

Panel one wall in one direction, another the opposite way. For deeper shadow lines, bring exterior siding patterns indoors.

## Troupe

## To Perform

The Lamanite Generation, the touring troupe of performers from the Brigham Young University in Provo, Utah, is scheduled to appear in concert at the Alabama-Coushatta Indian Reservation on May 27, 28, & 29 at 8 p.m. plus a 2 p.m. matinee on May 29. The group will bring one or more members of 15 separate Indian tribes, Mexican Americans, and Polynesians.

The troupe presents an original Indian Variety Show witnessed by over 250,000 live audiences and an estimated 100 million international television viewers during the five-year existence of the Lamanite Generation. Several Indian Reservations have been visited by the talented group of students. Many of the songs including, "Go, My Son," a poignant message to Indian youths of today were written by former members of the Lamanite Generation.

The list of tribes represented will include Cherokee, Navajo, Iroquois, Ute, Mandan-Sioux, Assiniboina, Sioux, Pueblo, Tsimshian, Haida, Hopi, Choctaw, Maricopa, Apache, Omaha, and Comanche. The talent is drawn from over 600 American Indian students attending the Brigham Young University.

The Indian Reservation is located between Livingston and Woodville on US 190. For information on tickets, call or write the Indian Reservation, Rt. 3, Box 630, Livingston, TX 77351. Phone 713-563-4391.

"There's no place like NOME!"  
SECRETARY OF STATE Seward ~1867.  
**Alaska BOUGHT from Russia for \$7 MILLION.**

A lot of people thought it was a mistake. "Seward's folly," they called it. Just a lot of ice and igloos. But Alaska has yielded furs, fish, forest products and minerals worth many times the purchase price.

And that purchase was made possible when Americans bought up a government issue of six-percent five-twenty bonds in 1865.

Today, Americans still help their country grow by buying United States Savings Bonds at banks or through the Payroll Savings Plan at work.

Seward knew what he was doing then. Be in the know, now. Buy United States Savings Bonds.

Now U.S. Bonds pay 4 1/2% interest, which is held to maturity of 5 years. If the first year's interest is not used, it is added to the principal. If needed, it can be cashed at your bank. Interest is not subject to state or local income taxes. U.S. Federal tax may be withheld until maturity.

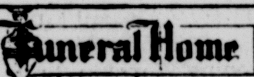

Take stock in America.
